WELL-ARCHITECTED
FRAMEWORK REVIEW

WAFR

Protagona offers Well-Architected Framework Review (WAFR) services for organizations at all levels of maturity, from startups to enterprise.

<1 WEEK

We offer only human-led and conversationally focused reviews, with a strong emphasis on future aspirations as well as current state. We seek to understand what causes you pain, what creates energy, and what drives you so that we can help foster growth.

AWS CREDITS

As an added bonus, AWS will issue $5,000 in service credits for participating in the WAFR program through Protagona.
